

TheBroth.com is a novel conceptual platform that allows people from all over the world to work together and have fun with art. Each room allows users to be creative and express themselves on the same canvas, simultaneously.

The extensible platform features a low barrier of entry and enables an unlimited array of fun art forms, including mosaic, graffiti, sketching and many more. Artworks can be displayed in the gallery for everyone to see and give feedback.

TheBroth IP combines social networking, personalization and self-expression features with the best of web 2.0 and the persistent worlds of MMOGs. It enables communities to thrive on user-created and self-policed content.

TheBroth is a great way to meet others creatively online as well as an easy entry to a world of self-expression. At TheBroth, anyone can be an artist, whether you're a beginner or very experienced. TheBroth offers a unique and fun art experience where everyone can become part of an exciting online art community.
